

The Industry's #1 Automotive AI

LOT LINX®

LotLinX is the industry's #1 Automotive AI dedicated to helping dealers sell more cars faster, with VIN-specific digital advertising strategies that send low-funnel buyers directly to conversion-optimized VDPs.

LOT LINX AI IS 50% ELIGIBLE FOR YOUR AUDI CO-OP FUNDS!

WHY CHOOSE LOT LINX

- 50% AUDI FUND ELIGIBLE
- Activation is quick & easy
- For use on New and CPO inventory
- Must be Audi specific vehicles

**Co-op program details may vary per store, please see a LotLinX strategist for your specifications*

Audi

We're approved for Co-op because we've proven to Audi that our technology works.

Ads powered by LotLinX AI convert buyers that have declared purchase intent for VINs in your real-time inventory, which drives to up to 5x higher conversions and 78% faster inventory turn.
